LEGISLATIVE COUNSEL'S DIGEST

SB 1407, as amended, Perata. Court facilities: financing.

(1) The Trial Court Facilities Act of 2002 establishes the State Court Facilities Construction Fund and provides that moneys in that fund may be used to acquire, rehabilitate, construct, or finance court facilities, as defined, and to implement trial court projects in designated counties, as specified.

This bill would extend the purposes for which moneys in that fund may be used to include the planning, design, construction, rehabilitation, replacement, leasing, or acquisition of court facilities. The bill would establish the Immediate and Critical Needs Account of the State Court Facilities Construction Fund, the proceeds of which would be used for the planning, design, construction, rehabilitation, renovation, replacement, or acquisition of court facilities, for the repayment of moneys appropriated for lease of court facilities pursuant to the issuance of lease-revenue bonds, and for the payment for lease or rental of court facilities. The bill would require the Judicial Council to collect and make available information regarding moneys in the account, as specified, and to make recommendations to the Governor and the Legislature for projects based on its determination that the need for a project is most immediate and critical, as specified. The bill would authorize the Judicial Council to acquire sites for the replacement of deficient court facilities in ~~four~~ 4 specified counties ~~and would appropriate up to \$61,584,000 from the State Court Facilities Construction Fund to the Judicial Council for this purpose.~~ The bill would require any moneys remaining in, or that would otherwise be payable into, the Immediate and Critical Needs Account of the State Court Facilities Construction Fund, to be transferred to the Controller for deposit into the State Trial Court Operations Trust Fund, as established by this bill, upon the retirement of any bonded indebtedness that may be incurred in connection with immediate and critical trial court projects, the proceeds of which would be available upon appropriation by the Legislature only for trial court operations.

(2) Existing law provides that the Judicial Council, as the policymaking body for the judicial branch, shall have certain responsibilities and authorities with regard to court facilities, including

to conduct audits of the collection of fees by the local courts, and to establish and consult with local project advisory groups on the construction of new trial court facilities.

This bill would further authorize the Judicial Council to conduct audits of the collection of fees to be transmitted to the state for deposit in the Immediate and Critical Needs Account of the State Court Facilities Construction Fund. The bill would include the local sheriff among those local project advisory groups with which the Judicial Council consults in the construction of new trial court facilities, as specified.

(3) Existing law specifies various uniform fees for filing specified documents in connection with certain civil proceedings, including a fee schedule for filing a first petition or first account in connection with a trust or estate. Existing law also imposes a fee of \$20 upon every conviction for a criminal offense, other than parking offenses, for funding of court security, and a fee of \$10 for corrections of violations of license, registration, or mechanical requirements of the Vehicle Code. Supplemental penalties and fees are imposed upon specified parking offenses and persons ordered to attend traffic violator school. Existing law specifies the disposition of fines and forfeitures, and traffic violator fees, collected by the courts for crimes other than parking violations.

This bill would generally increase those fees, and would impose an additional assessment upon every conviction for a criminal offense, but would eliminate the fee schedule for filing a first petition or first account in connection with a trust or estate and replace it with a set filing fee. The bill would eliminate certain exemptions from payment of filing fees in connection with an estate. The bill would impose a fee for filing in the superior court an application to appear as counsel pro hac vice. The bill would provide for a specified portion of all of those fees to be deposited into the Immediate and Critical Needs Account of the State Court Facilities Construction Fund, as described in (1) above. The bill would make other conforming changes, and would declare the intent of the Legislature to establish a moratorium on increases in filing fees until January 1, 2012.

(4) This bill would incorporate additional changes in Section 68085.1 of the Government Code proposed by AB 1873, to be operative if AB 1873 and this bill are both chaptered and become effective on or before January 1, 2009, and this bill is chaptered last.

(5) This bill would incorporate additional changes in Sections 68085.3, 68085.4, 68086.1, 70611, 70612, 70613, 70614, 70621, 70650, 70651, 70652, 70653, 70654, 70655, 70656, 70658, and 70670 of the

Government Code, Section 103470 of the Health and Safety Code, and Section 7660 of the Probate Code, proposed by SB 1177, to be operative if SB 1177 and this bill are both chaptered and become effective on or before January 1, 2009, and this bill is chaptered last.

Vote: $\frac{2}{3}$ -majority. Appropriation: ~~yes~~-no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 6322.1 of the Business and Professions
2 Code is amended to read:

3 6322.1. (a) Until the end of the moratorium described in
4 Section 70601 of the Government Code, the board of supervisors
5 of any county may increase, as provided in this section, the amount
6 distributed to its county law library fund from the uniform filing
7 fees listed in Section 6321 whenever it determines that the increase
8 is necessary to defray the expenses of the law library.

9 Any increase in the amount distributed to the law library fund
10 in any county under this subdivision shall not be effective until
11 January 1 of the next year after the adoption by the board of
12 supervisors of the increase. The amount of the increase in any
13 calendar year shall be no greater than three dollars (\$3) over the
14 previous calendar year. A copy of the action of the board of
15 supervisors that establishes the increase shall be provided to the
16 Administrative Office of the Courts as soon as it becomes available
17 but no later than December 15 of the year before the increased
18 distribution goes into effect.

19 (b) Distribution changes after January 1, 2008, shall be
20 determined by the process described in Section 70601 of the
21 Government Code.

22 (c) (1) In an action or proceeding in which a claim for money
23 damages falls within the monetary jurisdiction of the small claims
24 court and is filed by an assignee who is prohibited from filing or
25 maintaining a claim pursuant to Section 116.420 of the Code of
26 Civil Procedure, the uniform filing fee shall be reduced by
27 twenty-four dollars (\$24) to one hundred seventy-six dollars (\$176)
28 if the complaint contains a declaration under penalty of perjury,
29 executed by the party requesting the reduction in fees, that the case
30 qualifies for the lower fee because the claim for money damages

will not exceed the monetary jurisdiction of small claims court and is filed by an assignee of the claim.

(2) When the uniform filing fee is reduced as provided under this subdivision, the amount distributed from each uniform filing fee to the law library fund in the county shall be as follows:

 34 the Judges' Retirement Fund, children's waiting rooms, and the
 35 Equal Access Fund shall remain as provided under subdivisions
 36 (b) and (c) of Section 68085.4 of the Government Code and shall
 37 not be changed. Only the amounts distributed to the Trial Court
 38 Trust Fund, the law libraries, and the Immediate and Critical Needs
 39 Account of the State Court Facilities Construction Fund shall be
 40 adjusted. The amount distributed from each uniform filing fee

1 under this section to the Immediate and Critical Needs Account
2 of the State Court Facilities Construction Fund, established in
3 Section 70371.5, shall be eleven dollars (\$11). If the fee is further
4 reduced below one hundred seventy-six dollars (\$176), as with a

7 Code shall apply.

8 (d) Distributions under this section to the law library fund in
9 each county shall be used only for the purposes authorized by this
10 chapter.

11 (e) As used in this section and Section 6321, “law library fund”
12 includes a law library account described in the second paragraph
13 of Section 6320.

14 SEC. 1.5. Section 68085.1 of the Government Code is amended
15 to read:

16 68085.1. (a) This section applies to all fees and fines that are

(b) On and after January 1, 2006, each superior court shall deposit all fees and fines listed in subdivision (a), as soon as practicable after collection and on a regular basis, into a bank account established for this purpose by the Administrative Office of the Courts. Upon direction of the Administrative Office of the Courts, the county shall deposit civil assessments under Section 1214.1 of the Penal Code and any other money it collects under the sections listed in subdivision (a) as soon as practicable after collection and on a regular basis into the bank account established for this purpose and specified by the Administrative Office of the Courts. (D) To the courthouse construction funds in the Counties of Riverside, San Bernardino, and San Francisco, as described in Sections 70622, 70624, and 70625.

1 (2) If any distribution under this subdivision is delinquent, the
2 Administrative Office of the Courts shall add a penalty to the
3 distribution as specified in subdivision (i).

4 (d) Within 45 calendar days after the end of the month in which
5 the fees and fines listed in subdivision (a) are collected, the
6 amounts remaining after the distributions in subdivision (c) shall
7 be transmitted to the State Treasury for deposit in the Trial Court
8 Trust Fund and other funds as required by law. This remittance
9 shall be accompanied by a remittance advice identifying the
10 collection month and the appropriate account in the Trial Court
11 Trust Fund or other fund to which it is to be deposited. Upon the
12 receipt of any delinquent payment required under this subdivision,
13 the Controller shall calculate a penalty as provided under
14 subdivision (i).

15 (e) From the money transmitted to the State Treasury under
16 subdivision (d), the Controller shall make deposits as follows:

17 (1) Into the State Court Facilities Construction Fund, the Judges'

29 subdivision (e) of Section 70617.

30 (5) The remainder of the money shall be deposited into the Trial
31 Court Trust Fund.

32 (f) The amounts collected by each superior court under Section
33 116.232, subdivision (g) of Section 411.20, and subdivision (g) of
34 Section 411.21 of the Code of Civil Procedure, Sections 304, 3112,

38 of this code, and Sections 1513.1, 1835, 1851.5, and 2343 of the
39 Probate Code shall be added to the monthly apportionment for that
40 court under subdivision (a) of Section 68085.

(g) If any of the fees provided in subdivision (a) are partially waived by court order or otherwise reduced, and the fee is to be divided between the Trial Court Trust Fund and any other fund or account, the amount of the reduction shall be deducted from the amount to be distributed to each fund in the same proportion as the amount of each distribution bears to the total amount of the fee. If the fee is paid by installment payments, the amount distributed to each fund or account from each installment shall bear the same proportion to the installment payment as the full distribution to that fund or account does to the full fee. If a court collects a fee that was incurred before January 1, 2006, under a provision that was the predecessor to one of the paragraphs contained in subdivision (a), the fee may be deposited as if it were collected under the paragraph of subdivision (a) that corresponds to the predecessor of that paragraph and distributed in prorated amounts to each fund or account to which the fee in subdivision (a) must be distributed.

(h) Except as provided in Sections 470.5 and 6322.1 of the Business and Professions Code, and Sections 70622, 70624, and 70625 of this code, no agency may take action to change the amounts allocated to any of the funds described in subdivision (c), (d), or (e).

(i) The amount of the penalty on any delinquent payment under subdivision (c) or (d) shall be calculated by multiplying the amount of the delinquent payment at a daily rate equivalent to 1 ½ percent per month for the number of days the payment is delinquent. The penalty shall be paid from the Trial Court Trust Fund. Penalties on delinquent payments under subdivision (d) shall be calculated only on the amounts to be distributed to the Trial Court Trust Fund and the State Court Facilities Construction Fund, and each penalty shall be distributed proportionately to the funds to which the delinquent payment was to be distributed.

(j) If a delinquent payment under subdivision (c) or (d) results from a delinquency by a superior court under subdivision (b), the court shall reimburse the Trial Court Trust Fund for the amount of the penalty. Notwithstanding Section 77009, any penalty on a delinquent payment that a court is required to reimburse pursuant to this section shall be paid from the court operations fund for that court. The penalty shall be paid by the court to the Trial Court Trust Fund no later than 45 days after the end of the month in

1 which the penalty was calculated. If the penalty is not paid within
2 the specified time, the Administrative Office of the Courts may
3 reduce the amount of a subsequent monthly allocation to the court
4 by the amount of the penalty on the delinquent payment.

5 (k) If a delinquent payment under subdivision (c) or (d) results
6 from a delinquency by a county in transmitting fees and fines listed
7 in subdivision (a) to the bank account established for this purpose,
8 as described in subdivision (b), the county shall reimburse the Trial
9 Court Trust Fund for the amount of the penalty. The penalty shall
10 be paid by the county to the Trial Court Trust Fund no later than
11 45 days after the end of the month in which the penalty was
12 calculated.

27 Court Facilities Construction Fund, established in Section 70371.5,
28 as described in Sections 68085.3, 68085.4, and 70657.5, and
29 subdivision (e) of Section 70617.

30 (5) The remainder of the money shall be deposited into the Trial
31 Court Trust Fund.

32 (f) The amounts collected by each superior court under Section
33 116.232, subdivision (g) of Section 411.20, and subdivision (g) of
34 Section 411.21 of the Code of Civil Procedure, Sections 304, 3112,
35 3153, 7851.5, and 9002 of the Family Code, subdivision (d) of
36 Section 6103.5, subdivision (d) of Section 68511.3 and Sections
37 68926.1, 69953.5, 70627, 70631, 70640, 70661, 70678, and 71386
38 of this code, and Sections 1513.1, 1835, 1851.5, and 2343 of the
39 Probate Code shall be added to the monthly apportionment for that
40 court under subdivision (a) of Section 68085.

(g) If any of the fees provided in subdivision (a) are partially waived by court order or otherwise reduced, and the fee is to be divided between the Trial Court Trust Fund and any other fund or account, the amount of the reduction shall be deducted from the amount to be distributed to each fund in the same proportion as the amount of each distribution bears to the total amount of the fee. If the fee is paid by installment payments, the amount distributed to each fund or account from each installment shall bear the same proportion to the installment payment as the full distribution to that fund or account does to the full fee. If a court collects a fee that was incurred before January 1, 2006, under a provision that was the predecessor to one of the paragraphs contained in subdivision (a), the fee may be deposited as if it were collected under the paragraph of subdivision (a) that corresponds to the predecessor of that paragraph and distributed in prorated amounts to each fund or account to which the fee in subdivision (a) must be distributed.

(h) Except as provided in Sections 470.5 and 6322.1 of the Business and Professions Code, and Sections 70622, 70624, and 70625 of this code, no agency may take action to change the amounts allocated to any of the funds described in subdivision (c), (d), or (e).

(i) The amount of the penalty on any delinquent payment under subdivision (c) or (d) shall be calculated by multiplying the amount of the delinquent payment at a daily rate equivalent to 1 ½ percent per month for the number of days the payment is delinquent. The penalty shall be paid from the Trial Court Trust Fund. Penalties on delinquent payments under subdivision (d) shall be calculated only on the amounts to be distributed to the Trial Court Trust Fund and the State Court Facilities Construction Fund, and each penalty shall be distributed proportionately to the funds to which the delinquent payment was to be distributed.

(j) If a delinquent payment under subdivision (c) or (d) results from a delinquency by a superior court under subdivision (b), the court shall reimburse the Trial Court Trust Fund for the amount of the penalty. Notwithstanding Section 77009, any penalty on a delinquent payment that a court is required to reimburse pursuant to this section shall be paid from the court operations fund for that court. The penalty shall be paid by the court to the Trial Court Trust Fund no later than 45 days after the end of the month in

1 which the penalty was calculated. If the penalty is not paid within
2 the specified time, the Administrative Office of the Courts may
3 reduce the amount of a subsequent monthly allocation to the court
4 by the amount of the penalty on the delinquent payment.

5 (k) If a delinquent payment under subdivision (c) or (d) results
6 from a delinquency by a county in transmitting fees and fines listed
7 in subdivision (a) to the bank account established for this purpose,
8 as described in subdivision (b), the county shall reimburse the Trial
9 Court Trust Fund for the amount of the penalty. The penalty shall
10 be paid by the county to the Trial Court Trust Fund no later than
11 45 days after the end of the month in which the penalty was
12 calculated.

25 authority to allocate these revenues to replace reductions in the
26 General Fund appropriation to the Trial Court Trust Fund.

27 (d) The portion of the distribution to the Trial Court Trust Fund
28 to be used for services of an official court reporter in civil
29 proceedings pursuant to subdivisions (a) and (b) shall be used only

(2) Repayment for moneys appropriated for lease of court facilities pursuant to the issuance of lease-revenue bonds.

(3) Payment for lease or rental of court facilities, including those made for facilities in which one or more private sector participants undertake some of the risks associated with the financing, design, construction, or operation of the facility.

(b) Any moneys expended from the Immediate and Critical Needs Account are not subject to Section 77202.

(c) It is the intent of the Legislature that the money in the Immediate and Critical Needs Account of the State Court Facilities Construction Fund shall be used in part to pay the debt service of lease revenue bonds, notes, bond anticipation notes, or other appropriate financial instruments used to pay for the costs referred to in subdivision (a) in the amount of up to five billion dollars (\$5,000,000,000). The total bonded indebtedness shall not exceed

1 that amount for which fine and fee revenues may fully satisfy the
2 debt service.

3 (d) The Judicial Council shall collect and make available upon
4 request information regarding the moneys deposited in the
5 Immediate and Critical Needs Account of the State Court Facilities
6 Construction Fund resulting from new and increased fees,
7 assessments, and penalties authorized by the act that added this
8 section.

9 (e) (1) The Judicial Council shall make recommendations to
10 the Governor and the Legislature for projects based on its
11 determination that the need for a project is most immediate and
12 critical using the then most recent version of the Prioritization
13 Methodology for Trial Court Capital-Outlay Projects originally
14 adopted on August 26, 2006.

15 (2) The Legislature finds that there may not be enough resources
16 to pay for the cost of the projects identified as immediate and
17 critical needs by the Judicial Council pursuant to its Prioritization
18 Methodology for Trial Court Capital-Outlay Projects originally
19 adopted on August 26, 2006, even after considering any bonded
20 indebtedness that may be issued relying at least in part on those
21 resources. Therefore, in choosing which projects shall be
22 recommended to the Governor and the Legislature for the selection
23 of projects to be funded from the Immediate and Critical Needs
24 Account of the State Court Construction Fund, the Judicial Council
25 shall consider and apply, as appropriate, the following factors,
26 among others:

28 (B) The effect on available resources of using alternative
29 methods of project delivery as provided by Section 70391.5.

30 (3) Nothing in paragraph (2) shall authorize the Judicial Council
31 to exceed the resources provided by the Immediate and Critical
32 Needs Account of the State Court Construction Fund, together
33 with other available resources, in undertaking projects identified
34 as immediate and critical needs.

35 (4) As used in paragraph (2), “economic opportunity” includes,
36 but is not limited to, free or reduced costs of land for new
37 construction, viable financing partnerships with, or fund
38 contributions by, other government entities or private parties that
39 result in lower project delivery costs, cost savings resulting from
40 adaptive reuse of existing facilities, operational efficiencies from

1 consolidation of court calendars and operations, operational savings
2 from sharing of facilities by more than one court, and building
3 operational cost savings from consolidation of facilities.

4 (5) The Judicial Council shall not consider and apply an
5 economic opportunity in making a recommendation unless it is
6 reasonably assured that the economic opportunity is viable and
7 will be realized. If a project is selected for funding based on an
8 economic opportunity that is withdrawn after the project is
9 approved, the Judicial Council may cancel the project.

10 SEC. 5.5. Section 70371.6 is added to the Government Code,

8 (2) The amount of the court construction penalty may be reduced

40 1 of Division 17 of the Vehicle Code, that city, district, or issuing

1 agency shall observe the increased bail amounts as established by
2 the court reflecting the added penalty provided for by this
3 subdivision. Each agency that elects to process parking violations
4 shall pay to the county treasurer four dollars and fifty cents (\$4.50)
5 for the parking penalty imposed by this subdivision for each
6 violation that is not filed in court. Those payments to the county
7 treasurer shall be made monthly, and the county treasurer shall
8 transmit these sums as provided in paragraph (2) of subdivision
9 (f).

10 (c) If multiple offenses are involved, the state court construction
11 penalty under subdivision (a) shall be based upon the total fine or
12 bail for each case. If a fine is suspended, in whole or in part, the
13 state court construction penalty under subdivision (a) shall be
14 reduced in proportion to the suspension.

15 (d) If any deposited bail is made for an offense to which this
16 section applies, and for which a court appearance is not mandatory,
17 the person making the deposit shall also deposit a sufficient amount
18 to include the state court construction penalty prescribed by
19 subdivision (a) for forfeited bail. If bail is returned, the state court
20 construction penalty paid thereon pursuant to subdivision (a) shall
21 also be returned.

22 (e) In any case where a person convicted of any offense, to
23 which this section applies, is in prison until the fine is satisfied,
24 the judge may waive all or any part of the state court construction
25 penalty, the payment of which would work a hardship on the person
26 convicted or his or her immediate family.

27 (f) (1) Within 45 days after the end of the month that moneys
28 are deposited in the county treasury pursuant to subdivision (a),
29 the county treasurer shall transmit the moneys to the Controller,
30 to be deposited as follows:

31 (A) The total to be deposited pursuant to subdivision (a) shall
32 be multiplied by a fraction as follows:

33 (i) The numerator is the amount imposed as an additional penalty
34 on every ten dollars (\$10), or part of ten dollars (\$10), upon every
35 fine, penalty, or forfeiture, if any, for deposit into the local
36 courthouse construction fund in that county established pursuant
37 to Sections 76000 and 76100. The numerator shall be expressed
38 in whole dollars and fractions of a dollar.

39 (ii) The denominator is five dollars (\$5).

1 (B) The resulting amount shall be deposited in the Immediate
2 and Critical Needs Account of the State Court Facilities
3 Construction Fund, established in Section 70371.5.

4 (C) The remaining amount of the deposit shall be deposited in
5 the State Court Facilities Construction Fund.

6 (2) Within 45 days after the end of the month that moneys are
7 deposited in the county treasury pursuant to subdivision (b), the
8 county treasurer shall transmit the moneys to the Controller to be
9 deposited as follows: one-third of the total amount shall be
10 deposited in the State Court Facilities Construction Fund and
11 two-thirds of the total amount shall be deposited in the Immediate
12 and Critical Needs Account of the State Court Facilities
13 Construction Fund, established in Section 70371.5.

18 for a criminal offense, including a traffic offense, except parking
19 offenses as defined in subdivision (i) of Section 1463 of the Penal
20 Code, involving a violation of a section of the Vehicle Code or
21 any local ordinance adopted pursuant to the Vehicle Code. The
22 assessment shall be imposed in the amount of thirty dollars (\$30)
23 for each misdemeanor or felony and in the amount of thirty-five
24 dollars (\$35) for each infraction.

25 (2) For the purposes of this section, “conviction” includes the
26 dismissal of a traffic violation on the condition that the defendant
27 attend a court-ordered traffic violator school, as authorized by
28 Sections 41501 and 42005 of the Vehicle Code. This assessment
29 shall be deposited in accordance with subdivision (d), and may
30 not be included with the fee calculated and distributed pursuant to
31 Section 42007 of the Vehicle Code.

32 (b) This assessment shall be in addition to the state penalty
33 assessed pursuant to Section 1464 of the Penal Code and may not
34 be included in the base fine to calculate the state penalty assessment
35 as specified in subdivision (a) of Section 1464 of the Penal Code.
36 The penalties authorized by Chapter 12 (commencing with Section
37 76000), and the state surcharge authorized by Section 1465.7 of
38 the Penal Code, do not apply to this assessment.

39 (c) When bail is deposited for an offense to which this section
40 applies, and for which a court appearance is not necessary, the

1 person making the deposit also shall deposit a sufficient amount
2 to include the assessment prescribed by this section.

3 (d) Notwithstanding any other law, the assessments collected
4 pursuant to subdivision (a) shall all be deposited in a special
5 account in the county treasury and transmitted therefrom monthly
6 to the Controller for deposit in the Immediate and Critical Needs
7 Account of the State Court Facilities Construction Fund,
8 established in Section 70371.5.

9 (e) The Judicial Council shall provide for the administration of
10 this section.

14 70374. (a) The Judicial Council shall annually recommend to
15 the Governor and the Legislature the amount proposed to be spent
16 for projects paid for with money in the State Court Facilities

3 The Judicial Council shall determine the local projects after
4 consulting with the trial court in that county and based on the
5 locally approved trial court facilities master plan for that county.

6 (2) Paragraph (1) shall not apply to money that has been
7 deposited in the Immediate and Critical Needs Account of the State
8 Court Facilities Construction Fund, established in Section 70371.5.

9 (e) The following provisions shall prevail over provisions of
10 the State Building Construction Act of 1955 (Part 10b

12 regard to buildings subject to this section.

13 (1) The Administrative Office of the Courts shall be responsible
14 for the operation, including, but not limited to, the maintenance
15 and repair, of all court facilities whose title is held by the state.

28 equipment if the building, when acquired, already had cogeneration
29 or alternative energy equipment. Section 15814.17 only applies to
30 buildings to which the Judicial Council has given its consent under
31 subdivision (a) of Section 15814.12.

32 SEC. 8. Section 70375 of the Government Code is amended

35 and the fund, penalty, and fee assessment established by this article
36 shall become operative on January 1, 2003, except as otherwise
37 provided in this article.

38 (b) In each county, the five-dollar (\$5) penalty amount
39 authorized by subdivision (a) of Section 70372 shall be reduced
40 by the amount collected for transmission to the state for inclusion

3 money from the local courthouse construction fund.

4 (c) The authority for all of the following shall expire
5 proportionally on the June 30th following the date of transfer of
6 responsibility for facilities from the county to the Judicial Council,
7 except so long as money is needed to pay for construction provided
8 for in those sections and undertaken prior to the transfer of
9 responsibility for facilities from the county to the Judicial Council:

10 (1) An additional penalty for a local courthouse construction
11 fund established pursuant to Section 76100.

18 (d) For purposes of subdivision (c), the term “proportionally”
19 means that proportion of the fee or surcharge that shall expire upon
20 the transfer of responsibility for a facility that is the same
21 proportion as the square footage that facility bears to the total
22 square footage of court facilities in that county.

23 SEC. 9. Section 70391 of the Government Code is amended
24 to read:

25 70391. The Judicial Council, as the policymaking body for the
26 judicial branch, shall have the following responsibilities and
27 authorities with regard to court facilities, in addition to any other
28 responsibilities or authorities established by law:

29 (a) Exercise full responsibility, jurisdiction, control, and

(E) Is of sufficient benefit to outweigh the public good in maintaining it as a court facility or building.

(4) All funds received for disposal of surplus court facilities shall be deposited by the Judicial Council in the State Court Facilities Construction Fund.

(5) If the facility was acquired, rehabilitated, or constructed, in whole or in part, with money in the State Court Facilities Construction Fund that was deposited in that fund from the state fund, any funds received for disposal of that facility shall be apportioned to the state fund and the State Court Facilities Construction Fund in the same proportion that the original cost of the building was paid from the state fund and other sources of the State Court Facilities Construction Fund.

(6) Submission of a plan to the Legislature for the disposition of court facilities transferred to the state, prior to, or as part of, any

21 uniform statewide and to be the only allowable fees for those
22 services and filings. The only charges that may be added to the
23 fees in this chapter are the following:

24 (1) In a complex case, the fee provided for in Section 70616
25 may be added to the first paper and first responsive paper filing
26 fees in Sections 70611, 70612, 70613, and 70614.

4 SEC. 28. Section 1463.010 of the Penal Code is amended to
5 read:

6 1463.010. The uniform imposition and enforcement of
7 court-ordered debts are recognized as an important element of
8 California's judicial system. Prompt, efficient, and effective
9 imposition and collection of court-ordered fees, fines, forfeitures,
10 penalties, restitution, and assessments ensure the appropriate
11 respect for court orders. The California State Association of
12 Counties and the Administrative Office of the Courts are jointly
13 committed to identifying, improving, and seeking to expand access
14 to mechanisms and tools that will enhance efforts to collect
15 court-ordered debt. To provide for this prompt, efficient, and
16 effective collection:

17 (a) The Judicial Council shall adopt guidelines for a
18 comprehensive program concerning the collection of moneys owed
19 for fees, fines, forfeitures, penalties, and assessments imposed by
20 court order. As part of its guidelines, the Judicial Council may
21 establish standard agreements for entities to provide collection
22 services. As part of its guidelines, the Judicial Council shall include
23 provisions that promote competition by and between entities in
24 providing collection services to courts and counties. The Judicial
25 Council may delegate to the Administrative Director of the Courts
26 the implementation of the aspects of this program to be carried out
27 at the state level.

28 (b) The courts and counties shall maintain the collection program
29 that was in place on January 1, 1996, unless otherwise agreed to
30 in writing by the court and county. The program may wholly or
31 partially be staffed and operated within the court itself, may be
32 wholly or partially staffed and operated by the county, or may be
33 wholly or partially contracted with a third party. In carrying out
34 this collection program, each superior court and county shall
35 develop a cooperative plan to implement the Judicial Council
36 guidelines. In the event that a court and a county are unwilling or
37 unable to enter into a cooperative plan pursuant to this section,
38 prior to the arbitration procedures required by subdivision (e) of
39 Section 1214.1, the court or the county may request the
40 continuation of negotiations with mediation assistance as mutually

1 agreed upon and provided by the Administrative Director of the
2 Courts and the California State Association of Counties.

3 (c) The Judicial Council shall develop performance measures
4 and benchmarks to review the effectiveness of the cooperative
5 superior court and county collection programs operating pursuant
6 to this section. Each superior court and county shall jointly report
7 to the Judicial Council, as provided by the Judicial Council,
8 information requested in a reporting template on or before
9 September 1, 2009, and annually thereafter. The Judicial Council
10 shall report to the Legislature on December 31, 2009, and annually
11 thereafter, on all of the following:

12 (1) The extent to which each court or county is following best
13 practices for its collection program.

14 (2) The performance of each collection program.

15 (3) Any changes necessary to improve performance of collection
16 programs statewide.

17 (d) The Judicial Council may, when the efficiency and
18 effectiveness of the collection process may be improved, facilitate
19 a joint collection program between superior courts, between
20 counties, or between superior courts and counties.

21 (e) The Judicial Council may establish, by court rule, a program
22 providing for the suspension and nonrenewal of a business and
23 professional license if the holder of the license has unpaid fees,
24 fines, forfeitures, penalties, and assessments imposed upon them
25 under a court order. The Judicial Council may provide that some
26 or all of the superior courts or counties participate in the program.
27 Any program established by the Judicial Council shall ensure that
28 the licensee receives adequate and appropriate notice of the
29 proposed suspension or nonrenewal of his or her license and has
30 an opportunity to contest the suspension or nonrenewal. The
31 opportunity to contest may not require a court hearing.

32 (f) Notwithstanding any other provision of law, the Judicial
33 Council, after consultation with the Franchise Tax Board with
34 respect to collections under Section 19280 of the Revenue and
35 Taxation Code, may provide for an amnesty program involving
36 the collection of outstanding fees, fines, forfeitures, penalties, and
37 assessments, applicable either statewide or within one or more
38 counties. The amnesty program shall provide that some or all of
39 the interest or collections costs imposed on outstanding fees, fines,

1 forfeitures, penalties, and assessments may be waived if the
2 remaining amounts due are paid within the amnesty period.

1 (iii) Surrender to the public administrator any property of the
2 decedent that is held or controlled by the financial institution,
3 agency, retirement fund administrator, insurance company, licensed
4 securities dealer, or other person.

6 agency, retirement fund administrator, insurance company, licensed
7 securities dealer, or other person of the written certification
